## Support for Texas School Districts and Service Centers

*PEIMS  
made  
easy*

### *Integrated Administrative Software for Education*

---

#### **PEIMS – Finance, Staff, Student**

- Complete PEIMS reporting package totally integrated with general ledger, personnel/payroll and student accounting systems
- PEIMS database stored apart from daily production databases allows manual entry for special circumstances
- Ability to translate fund, function, object, organization and program based on locally defined criteria
- Performs all state mandated account code translations
- No need to wait for state edits. Performs fatal and warning edits with more descriptive informational than Edit+. Local ID is always displayed.
- Pull all staff information from personnel/payroll system
- Performs personnel PID edits from previous submission
- Allows special circumstance records to be saved between submissions
- Generate staff responsibility records from the student accounting system for teachers, principals, and teachers aids
- Automatically updates responsibility record multi-service flag
- Combines like responsibility records to avoid fatal duplicate record errors

- Automatically calculates career/technology contact hours from student schedules
- Performs student PID edits from previous submission
- Generates all attendance records for all program types
- Edit that checks for more than 180 days of instruction.
- Principals report automatically generates all substantiating TEA auditor approved reports such as daily membership, daily absence table, career/technology, special ed tables and detail student report.

#### **Customer Benefits**

CPI is located in Houston, Texas and has been involved in PEIMS reporting since its inception. We know PEIMS and we know our clients. Our clients enjoy great support for PEIMS reporting and consistently submit on time and error free.

#### **Summary**

The ViStA PEIMS system is designed to meet the specific needs of Texas school districts and regional service centers. A tight integration with the QSS/OASIS Financial and the ViStA Student Accounting systems ensures accurate and timely results.
