

Student Accounting System

Core Student, Special Programs, Discipline, Medical Module

Integrated Administrative Software for Education

Core Student

- # Demographics
- # Unlimited Households/Guardians
- # Tie multiple students to one household
- # Free form comments
- # Essential information comments
- # Unlimited enrollments
- # Multiple year storage
- # Cross campus enrollment/scheduling/attendance
- # Automatic locker assignment
- # Auto assign counselor/dean/advisor
- # Transportation - Bus and Auto
- # Track generic events
- # Single student scheduler balances classes

Career Technology

- # Automatic calculation of CT contact hours (TX State Reporting)
- # Track CT Enrollments
- # Track CT Services
- # Track CT Events

Special Education

- # Track 5 handicapping conditions
- # State test exemptions
- # Special Ed services
- # Special Ed events
- # Report upcoming events such as IEP or Assessments

Gifted & Talented

- # Track program enrollment dates/teacher
- # List specific identifiers

Language Programs

- # Track student enrollments over multiple years
- # Home language surveys
- # Alternate language report cards & letters
- # Primary language reporting

At Risk Reporting

- # At risk enrollments
- # At risk identifiers
- # At risk report writer

Pregnancy Related Services

- # Tracks PRS services
- # Track events

Discipline

- # Supports NCLB reporting
- # Being used in several states for standardized reporting
- # Allows multiple infractions per referral
- # Automatically pre-post attendance when student is removed from class for suspension
- # Auto generate discipline letters to state requirements
- # Tie multiple referrals to one incident

Medical Module

- # Immunization records and reporting
- # Annual physical results with Body Mass Index
- # Audio, Vision, Spinal, Dental Screenings
- # Medication Administration
- # Clinic Visits

Student Accounting System

Scheduling, Attendance, Educational Guidance System,
Free/Reduced Lunch, Medicaid Billing

Integrated Administrative Software for Education

Scheduling

- # Supports up to 20 day scheduling cycle
- # 32 periods per day
- # Day starts with period 0
- # Computerized and arena scheduling supported
- # Cross campus scheduling
- # Report students who are over/under scheduled
- # On-line schedule adjustments by course or student

Full Control Scheduler

- # Master schedule builder
- # Graphical Windows interface
- # Allows 'what if' scenarios
- # Store multiple versions of master
- # Standalone or network configuration

Attendance

- # Unlimited attendance codes
- # Online display of student ADA attendance totals
- # Excessive absences/truancy letters
- # No need to schedule elementary students

Test Score Posting

- # Raw, scaled, stanine, grade equivalent, normal curve equivalent and percentile scores all supported
- # Test information may be printed on transcripts
- # Test score report writer

Free/Reduced Lunch Module

- # Calculates combined household monthly income & compares with income eligibility guidelines Qualify students singly or by household
- # Provides federally mandated reporting and sampling
- # Automatically creates enrollments in ViStA

Medicaid Billing

- # HIPAA Compliant
- # Save thousands of dollars compared to billing services

Educational Guidance System

- # Online transcript management
- # Shows credit deficiencies
- # Help counselors plan schedules
- # Display 8 cumulative GPAs simultaneously 'on the fly' (Spring 04)
- # Transcript by Year
- # Transcript by Department
- # Online Deficiencies
- # Customizable by Student
- # Easy to print one transcript
- # Multiple transcript formats

Custom Programming

- # Guarantee rates
- # Quoted projects
- # Dedicated resource
- # Saves district money

Student Accounting System Reports

Integrated Administrative Software for Education

- # *Student Selection Criteria*
Screen allows reporting on specific populations
- # *Include/Exclude on dozens of parameters*
- # *Report for single student or group of students*
- # *Save student lists*
